

Health Safety Environmental and Quality Policy

Terrex is a Seismic Acquisition and Surveying Contractor providing services to the Oil, Gas, Mineral and Infrastructure Industries.

Our vision is to evolve into one of the world's most operationally efficient, technologically advanced, innovative and safest onshore Seismic Acquisition and Survey service providers.

Our aim is to provide a healthy and safe workplace while minimising the environmental impacts of our activities and satisfying our customers' expectations.

We at Terrex are committed to:

- Providing a healthy and safe workplace for our employees, contractors and the general public.
- Conducting all operations in such a manner as to minimise their impact on the environment.
- Promoting the protection of all Natural and Cultural environments that can be affected by our activities.
- Seeking to continuously improve in the efficient use of natural resources and energy through recycling and waste management.
- Regularly review and improve our process to minimise health and safety hazards, negative significant impacts to the environment and prevent pollution.
- Establishing measurable objectives and targets for improving our safety and environmental performance.
- Working with our customers, suppliers and employees to seek continual improvement of our activities.
- Complying with legislation and industry codes of practice wherever we conduct business.

To ensure this commitment we have implemented an integrated management system, which meets the requirements of:

- **AS/NZS 4801 Occupational Health and Safety Management Systems**
- **OHSAS 18001 Occupational Health and Safety Management System**
- **AS/NZS ISO 14001 Environmental Management Systems.**
- **AS/NZS ISO 9001 Quality Systems**

This policy is basic to all Terrex operations and adherence is the prime responsibility of management, every employee and all contractors / sub contractors.

Stephen P. C. Tobin
